Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Habitat for Humanity Philadelphia, Lower North Affordable Project in fiscal year 2024. The entity to receive funding for this project is Habitat for Humanity Philadelphia, Inc, located at 1829 N. 19th Street Philadelphia, PA 19121. The funding would be used for building and selling homes for low-income households to purchase and provide critical repairs for existing low-income homeowners. The project is an appropriate use of taxpayer funds because the project will create critically needed affordable homeownership options for Philadelphians who otherwise would be unable to purchase their home. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), 5305(a)(5). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dwight Evans
Member of Congress
