Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Bringing the Future of Work to Disconnect Workers in fiscal year 2024. The entity to receive funding for this project is Philadelphia OIC, located at 1231 N. Broad Street, Philadelphia, PA 19122.

The project is an appropriate use of taxpayer funds because it will provide state of the art training that will give the residents in the area a distinct competitive advantage in the labor market, facilitating their connection to work that pays family-sustaining wages and career ladder job opportunities.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dwight Evans  
Member of Congress
