The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding in the amount of \$3,000,000.00 for the **52nd Street Corridor Revitalization** initiative in Fiscal Year 2027. The entity to receive funding for this project is the city of Philadelphia located at 1600 JFK Blvd. Ste. 1700, Philadelphia, PA 19103.

The project would be a valuable use of taxpayer funds because it will create a more accessible, pedestrian-friendly, and vibrant environment for residents, businesses, and visitors to the 52nd Street commercial corridor. The project will improve transportation infrastructure, increase connectivity, and foster economic growth, while also promoting safety and sustainability within the community. If fully funded, this project will ensure that the 52nd Street area continues to be a hub for local commerce, social interaction, and long-term community development.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dwight Evans
Member of Congress
