The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding in the amount of \$25,000.00 for in Fiscal Year 2027. The entity to receive funding for this project is Wynnefield Community Neighborhood Association, Inc. located at 1905 N. 54th St, PA 19131. The funding would be used for the WCNA Pathways to Growth & Impact Initiative.

The project would be a valuable use of taxpayer funds because it directly invests in workforce development, youth opportunity, and long-term economic stability within the community. By providing high school students with hands-on training in high-demand skilled trades such as HVAC, electrical systems, and gas repair, the program prepares young people for viable career paths that offer competitive wages, job security, and opportunities for advancement.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dwight Evans
Member of Congress
