Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Sullivan Community Impact Center in fiscal year 2023.

The entity to receive funding for this project is Called to Serve CDC, located at 3600 North Broad Street, Philadelphia, PA 19140. The funding would be used to produce a community resource hub to address the needs of this underserved community. Funds will also be used to address the economic challenges of the residents in this area through access to programs and services meant to expand education opportunities and increase entrepreneurship and employment.

I certify that neither I nor my immediate family has any financial interests in this project.

Sincerely,

Dwight Evans  
Member of Congress
