House Committee on Appropriations  
H-307 The Capitol  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Allegheny West Economic and Industrial Development Planning Initiative in fiscal year 2022.

The entity to receive funding for this project is Allegheny West Foundation located at 2330 West Allegheny Avenue, Philadelphia, PA 19132.

The funding would be used to produce an economic and industrial development plan that includes a detailed analysis of all vacant industrial and commercial properties in the Allegheny West neighborhoods and determines the most strategic phasing and prioritization of these development opportunities. Funding would also be used to analyze opportunities to develop workforce housing and encourage retail business development that would support economic growth stemming from industrial development.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dwight Evans  
Member of Congress
