Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Liberty Housing Development Corporation's proposal in the fiscal year 2022 to build thirty-one units of new affordable housing.

The entity to receive funding for this project is Liberty Housing Development Corporation located at 112 N. 8th Street, Suite 600, Philadelphia, PA 19107.

The funding would be used to build new affordable housing units that would offer 31 affordable units of which 15 are for people with disabilities, most of whom are persons of color and are substantially below 30 percent of the area median income. This project helps to further re balance long-term services and supports by creating more affordable community-based living arrangements for people with disabilities.

I certify that neither I nor my immediate family has any financial interests in this project.

Sincerely,

Dwight Evans
Member of Congress
